

STEPPING PROJECT

*Supporting The EPC Public Procurement IN
Going-beyond*

Project co-financed by the European
Regional Development Fund

Priority Axis 2: Low carbon economy

**Fostering low-carbon strategies and energy efficiency in
specific MED territories: cities, islands and remote areas**

Specific Objective 2.1: To increase capacity for better
management of energy in public buildings at transnational
level

9 partners
7 countries

1. Piedmont Region – LP – IT
2. Energy and Sustainable Development Agency, Modena – IT
3. BSC, Kranj – SI
4. Environment Park, Torino – IT
5. Huelva County Council – ES
6. Malta intelligent Energy Management Agency – MT
7. Aegean Energy and Environment Agency – EL
8. Regional Energy and Environment Agency, Rhône-Alpes – FR
9. Regional Energy and Environment Agency, North Alentejo - PT

STEPPING project

Total budget 1,950,000 Euro (ERDF 1,650,000 Euro)

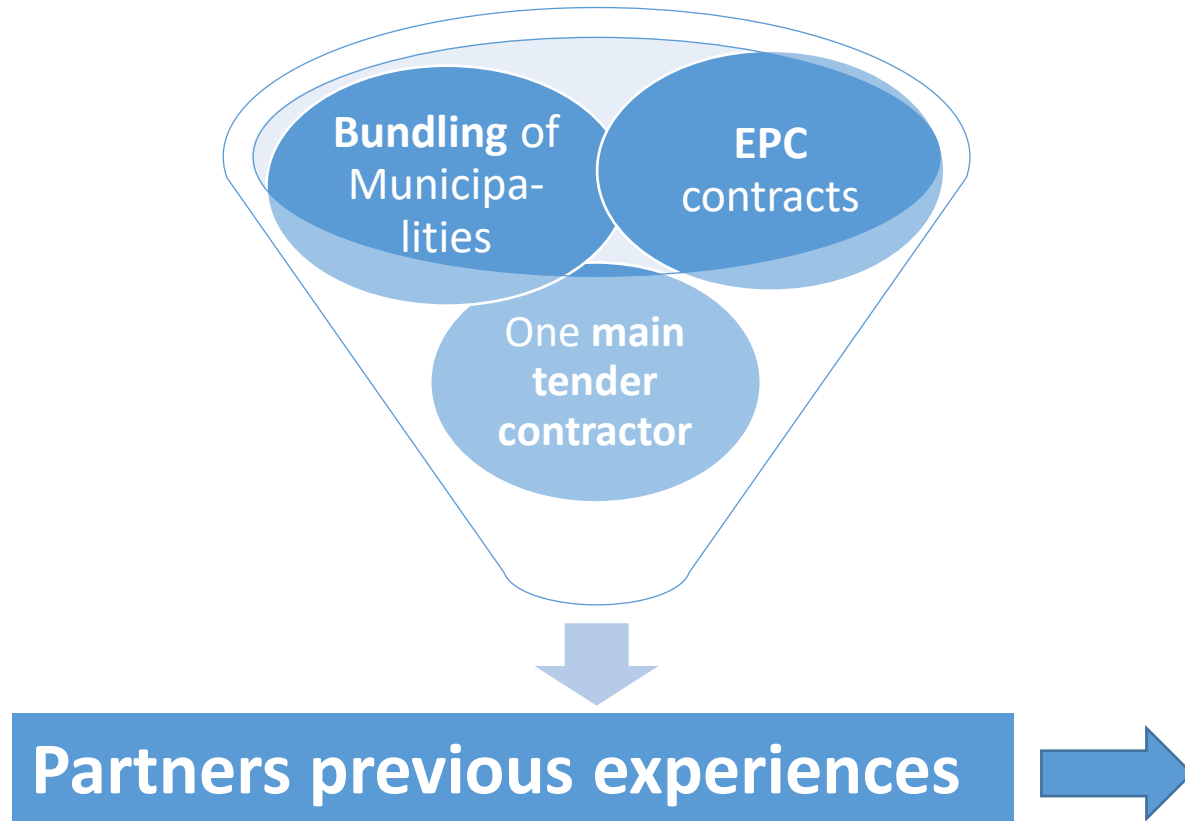

Timeframe November 2016/ April 2019

Project general objectives:

- To increase the **adoption of Energy Performance Contracts – EPC** – in the elaboration of Energy Efficiency Plans for **public building** in Mediterranean Area
- To **raise the knowledge** of MED institutions in designing, implementing and managing energy efficiency plans for public buildings

The process leading to STEPPING

To develop and share an **INNOVATIVE** common methodology to apply the EPC scheme in the Mediterranean area

Stepping project

Several successful examples using EPC contracts

STEPPING Keywords

Innovation capacity and awareness-raising

Institutional cooperation and cooperation networks

STEPPING added value

Public buildings

Energy Performance contracting

Bundling approach

STEPPING is a TESTING project

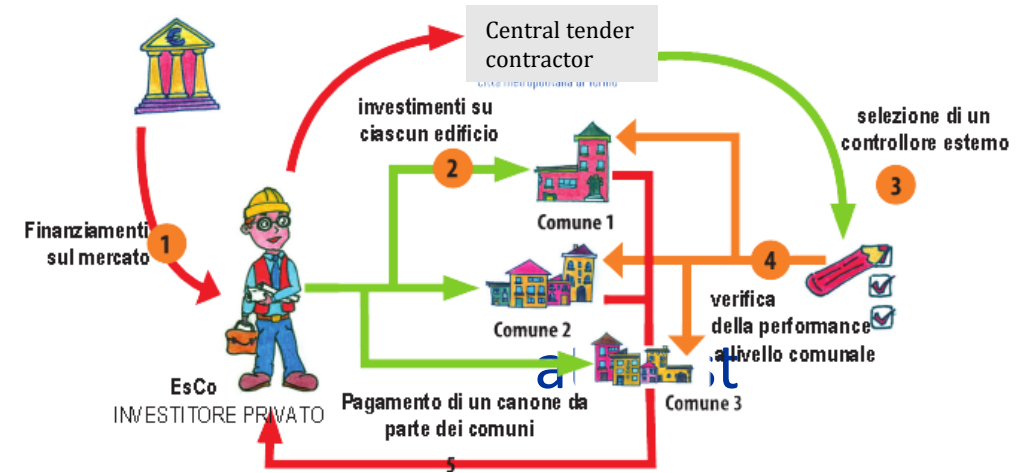

STEPPING MAIN OBJECTIVES

- Adaptat the application of EPC investment for public buildings scheme to MED specific context: **METHODOLOGIES** → **TESTING**
- Test the implementation of EPC MED schemes inside investment plans and public procurement: **TENDER DOCUMENTS** → **TESTING**
- Raise the competences on EPC for public building of MED public procurers and market players: **TRAINING** → **TRANSFERRING**
- Involve into project activities the largest audience of stakeholders: **DISSEMINATE** methodologies and results: → **COMMUNICATION**

STEPPING MAIN RESULTS

- **Prepare 8 investment plan** in MED AREA for 85 municipalities
- **Launch 4 investment plan** in 4 countries
- **Train 600** public officers, experts, public procurers **on EPC**
- Deliver **MED guidelines for EPC in public buildings** for wider dissemination

Project co-financed by the European
Regional Development Fund
